69.5-01-07-02. Entries.

1. **Filing.** The association shall provide forms for making entries and declarations with the racing secretary. Entries and declarations shall be in writing, or by telephone or telegraph subsequently confirmed in writing by the owner, trainer, or authorized agent. When any entrant or nominator claims failure or error in the receipt by an association of any entry or declaration, such entrant or nominator may be required to submit evidence within a reasonable time of the filing of the entry or the declaration.
2. **Posting.** Upon the closing of entries, the racing secretary shall promptly compile a list of entries and cause it to be conspicuously posted.
3. **Coupling.**
 - a. Entry coupling. When one or more horses entered in a race have a common owner and trainer, the horses must be coupled as an entry. Horses must be regarded as having a common owner where an owner of one horse, either as an individual or as a licensed member of a partnership or as a licensed shareholder of a corporation, shall have an ownership interest in another horse, either as an individual or as a licensed member of a partnership or as a licensed shareholder of a corporation.
 - b. Coupled entries prohibited. Coupled entries may not be permitted to race on any program in a race which is part of a daily double or trifecta wager.
 - c. Coupled entry limitation on owner. No more than two horses coupled by a common ownership or trainer may be entered in an overnight race. When any licensee shall nominate and enter two horses coupled by common ownership or trainer, the nominator shall

express a preference for which horse will start in the event that only one horse can be run by virtue of the rules of eligibility related to trifecta, daily double, or other exotic betting.

- d. Coupling of entries by stewards. The stewards shall couple as a single entry any horses which, in the determination of the stewards are connected by common ownership or by a common trainer or when the stewards determine that coupling is necessary in the interest of the regulation of the parimutuel racing industry or necessary to the public confidence in racing.
 - e. Coupled entry excluding others. A coupled entry may not be permitted to enter or start if the effect of the entry is to deprive an uncoupled single entry horse from starting.
4. **Splitting of a race.** If a race is canceled and declared off for insufficient entries, the association may split the list of entries for any other overnight race to provide an additional race to replace the one canceled. The racing secretary shall by lot divide the entries of the race so split into two different races.
5. **Entry weight.** Owners, trainers, or any person duly authorized by either who enter a horse for a race shall ensure that the entry is correct and accurate as to the weight allowances available and claimed for the horse under the conditions set for the race. After a horse is entered and has been assigned a weight to carry in the race, the assignment of weight may not be changed except in the case of error.
6. **Horses run once daily.** No horse may be entered for more than one race on the same day on which parimutuel wagering is conducted.
7. **Foreign entries.** For the purposes of determining eligibility, weight assignments, or allowances for horses imported from a foreign nation, the racing secretary shall take into account the "Pattern Race Book" published jointly by the Irish turf club, the jockey club of Great Britain, and the societe encouragement.
8. **Weight conversions.** For the purposes of determining eligibility, weight assignments, or allowances for horses imported from a foreign nation, the racing secretary shall convert metric distances to English measures by reference to the following scale:

110 yards	=	100 meters
1 furlong	=	200 meters
1 mile	=	1,600 meters

9. **Name.** The "name" of a horse means the name reflected on the certificate of registration or racing permit or temporary racing permit

issued by the applicable horsemen's organization. Imported horses shall have a suffix, enclosed by brackets, added to their registered names showing the country of foaling. This suffix is derived from the International Code of Suffixes and constitutes part of the horse's registered name. The registered names and suffixes, where applicable, must be printed in the official program.

69.5-01-07-03. Sweepstakes entries.

1. **Entry and withdrawal.** The entry of a horse in a sweepstakes is a subscription to the sweepstakes. Before the time of closing, any entry or subscription may be altered or withdrawn.
2. **Entrance money.** Entrance money must be paid by the nominator to a race. In the event of the death of the horse or a mistake made in the entry of an otherwise eligible horse, the nominator subscriber shall continue to be obligated for any stakes, and the entrance money may not be returned.

1. **Overnight entries.** Entries for overnight racing must be closed at ten a.m. by the racing secretary, unless a later closing is established by the racing secretary or unless approved by the stewards.
 - a. Sweepstakes entries. If an hour for closing is designated, entries and declarations for sweepstakes cannot be received thereafter. However, if a time for closing is not designated, entries and declarations may be mailed or telegraphed until midnight of the day of closing, if they are received in time to comply with all other conditions of the race. In the absence of notice to the contrary, entries and declarations for sweepstakes which close during or on the day preceding a race meeting shall close at the office of the racing secretary in accordance with any requirement the racing secretary shall make. Closing for sweepstakes not during race meetings must be at the office of the association.

69.5-01-07-05. Prohibited entries.

1. **Entry by disqualified person.** An entry by a disqualified person or the entry of a disqualified horse is void. Any money paid for such entry must be returned if the disqualification is disclosed at least forty-five minutes before post time for the race. Otherwise the entry money must be paid to the winner.
2. **Limited partner entry prohibited.** No person other than a managing partner of a limited partnership or a person authorized by the managing partner may enter a horse owned by that partnership.
3. **Altering entries prohibited.** No alteration may be made in any entry after the closing of entries, but the stewards may permit the correction of an error in an entry.
4. **Limitation on overnight entries.** If the number of entries to any purse or overnight race is in excess of the number of horses that may be accommodated due to the size of the track, the starters for the race and their post positions must be determined by lot conducted in public by the racing secretary.
5. **Stake race entry limit.** In a stake race, the number of horses who may compete may be limited only by the number of horses nominated and entered. In any case, the association's lawful race conditions govern.
6. **Steward's denial of entry.** The stewards, after notice to the entrant, subscriber, or nominator, may deny entry of any horse to a race if the stewards determine the entry to be in violation of these rules or the laws of this state or to be contrary to the interests of the commission in the regulation of parimutuel wagering or to public confidence in racing.

69.5-01-07-06. Preference and eligibles.

1. **Eligible-to-start list.** A list of not more than eight names may be drawn from entries filed in excess of positions available in the race. These names must be listed as eligible-to-start as originally entered horses are withdrawn. The order in which these are listed shall become eligible-to-start and their post positions must be determined by the racing secretary. Any owner, trainer, or authorized agent who has entered a horse listed as an eligible-to-start and who does not wish to start shall file a scratch card with the secretary not later than the scratch time designated for that race.
2. **Preference for excluded horses.** Horses which have been excluded from races must be given preference in the next race in which they are entered, providing the next race is one of similar conditions. Horses whose names appear in the entries and have an opportunity to start will be given no preference if they are entered for a race to be held on the day following entry and the race overfills.
3. **Preferred list entrants.** In making an entry of a horse on the preferred list, a claim of preference must be made at the time of entry and noted on the entry form or the preference will be lost. The preferred list must be posted in a place readily available to all horsemen.

1. **Notification to the secretary.** No horse may be considered scratched, declared out, or withdrawn from a race until the owner, agent, or other authorized person has given notice in writing to the racing secretary before the time set by the association as scratch time. All scratches must be approved by the stewards.
2. **Declaration irrevocable.** Scratching, or the declaration of a horse out of an engagement for a race, is irrevocable.

3. **Limitation on scratches.** No horse may be permitted to be scratched from a race if the horses remaining in the race number less than eight, unless the stewards permit a lesser number. Where there are more requests to scratch that, if granted, would leave a field less than eight, the stewards shall determine by lot which entrants may be scratched and permitted to withdraw from the race. In the case of scratches from races involving daily doubles or trifecta wagering, eight entries must remain in the race to enable an entrant to voluntarily scratch.
4. **Scratch time.** Unless otherwise set by the racing secretary, scratch time, with regard to stake races, must be at least forty-five minutes before post time, and with regard to other races may be no later than eight a.m. of the day of the race.

1. **When required.** No horse may be started unless the horse has raced or has an approved timed workout satisfactory to the stewards. Such workout must have occurred on the grounds of a licensed parimutuel facility within the previous thirty days. A horse which has not started for a period of sixty days or more is ineligible to race until it has completed a timed workout satisfactory to the stewards prior to the day of the race in which he is entered. No horse may be taken onto the track for training or a workout except during hours designated by the association.
2. **Identification.** The timer or the stewards may require any licensee to identify a horse in the licensee's care being worked. The owner, trainer, or jockey may be required to identify the distance the horse is to be worked and the point on the track where the workout will start.
3. **Information dissemination.** If the stewards approve such timed workout so as to permit the horse to run in a race, they shall make it mandatory that this information is furnished to the public in advance of the race including, but not limited to, the following means:
 - a. Announcement over the track's public address system;
 - b. Transmission on the track's message board;
 - c. Posting in designated conspicuous places in the racing enclosure;

2. **Trainer responsibility.** In the event of claims, sales, or transfers, it is the responsibility of the new trainer to ascertain the validity of the certificate for the horse within twenty-four hours. If the certificate is either unavailable or invalid, the previous trainer is responsible for any reasonable cost associated with obtaining a coggins certificate.
3. **Positive test reports.** Whenever any owner or trainer is furnished a coggins test positive result that his horse has equine infectious anemia (EIA), the horse must be removed by the owner or trainer from association premises or approved farms within twenty-four hours of actual notice of the infection to the owner or trainer.

69.5-01-07-16. Race procedures.

1. **Full weight.** Each horse shall carry the full weight assigned for that race from the paddock to the starting point, and shall parade past the stewards' stand, unless excused by the stewards.
2. **Touching and dismounting prohibited.** After the horses enter the track, no jockey may dismount nor entrust the jockey's horse to the care of an attendant unless, because of an accident occurring to the jockey, the horse, or the equipment, and then only with the prior consent of the starter. During any delay during which a jockey is permitted to dismount, all other jockeys may dismount and their horse may be attended by others. After the horses enter the track, only the hands of the jockey or the assistant starter or an outrider on a lead pony may touch the horse before the start of the race.
3. **Jockey injury.** If a jockey is seriously injured on the way to the post, the jockey's horse must be returned to the paddock and a replacement jockey obtained. In such an event both the injured jockey and the replacement jockey will be paid by the owner.
4. **Twelve-minute-parade limit.** After entering the track, all horses shall proceed to the starting post in not more than twelve minutes unless approved by the stewards. After passing the stewards' stand in parade, the horses may break formation and proceed to the post in any manner. Once at the post, the horses must be started without unnecessary delay. All horses shall participate in the parade carrying their weight and

equipment from the paddock to the starting post and any horse failing to do so may be disqualified by the stewards. No lead pony leading a horse in the parade shall obstruct the public's view of the horse entered in the race that the lead pony is leading except with permission of the stewards.

5. **Striking a horse prohibited.** In assisting the start of a race, no person other than the jockey, the starter, the assistant starter, or the veterinarian shall strike a horse or use any other means to assist the start.
6. **Loading of horses.** Horses shall take their position at the post (in the starting gate) in post position order (the order in which their names have been drawn, beginning from the inside rail).
7. **Delays prohibited.** No person may obstruct or delay the movement of a horse to the starting post.

69.5-01-07-17. Claiming races.

1. General requirements.

- a. Starting requirements. No person may file a claim for any horse unless such person is present at the race meet at which the claim is filed and holds an owner's license.
- b. One stable claim. No stable which consists of horses owned by more than one person and which has a single trainer may submit more than one claim in any race and an authorized agent may submit only one claim in any race regardless of the number of owners represented.
- c. Procedure for claiming. To make a claim for a horse, an eligible person shall:
 - (1) Deposit to such person's account with the horsemen's bookkeeper the full claiming price and applicable taxes as established by the racing secretary's conditions.
 - (2) File the claim filled out completely and with sufficient accuracy to identify the claim in writing on forms provided by the association at least fifteen minutes before the time of the race in a locked claim box maintained for that purpose by the stewards.

2. **Claim box.**

- a. The claim box must be approved by the commission and kept locked until fifteen minutes prior to the start of the race, when it must be presented to the stewards or their designee for opening and publication of the claims.
- b. The claim box must also include a time clock which automatically stamps the time on the claim envelope prior to being dropped in the box.
- c. No official of said association may give any information as to the filing of claims therein after the race has been run.

3. **Claim irrevocable.** After a claim has been filed in the racing office, it may not be withdrawn.

4. **Multiple claims on single horses.** If more than one claim is filed on a horse, the successful claim must be determined by lot conducted by the stewards or their representatives.

5. **Successful claims - Later races.**

- a. Sale or transfer. No successful claimant may sell or transfer a horse, except in a claiming race, for a period of thirty days from the date of claim.
- b. Eligibility price. A claimed horse may not start in a race in which the claiming price is less than the price in which it was claimed for a period of thirty days. If a horse is claimed, no right, title, or interest therein may be sold or transferred except in a claiming race for a period of thirty days following the date of claiming. The day claimed does not count but the following calendar day must be the first day. The horse is entitled to enter whenever necessary so the horse may start on the thirty-first calendar day following the claim for any claiming price. The horse is required to continue to race at the track where claimed for a period of thirty days or the balance of the current race meeting whichever comes first.
- c. Racing elsewhere. A horse which was claimed under these rules may not participate at a race meeting other than that at which it was claimed until the end of the meeting, except with written permission of the stewards. This limitation does not apply to stakes races.
- d. Same management. A claimed horse may not remain in the same stable or under the control or management of its former owner.

- e. When a horse is claimed out of a claiming race, the horse's engagements are included.

6. Transfer after claim.

- a. Forms. Upon a successful claim, the stewards shall issue in triplicate, upon forms approved by the commission, an authorization of transfer of the horse from the original owner to the claimant. Copies of the transfer authorization must be forwarded to and maintained by the commission, the stewards, and the racing secretary for the benefit of the horse identifier. No claimed horse may be delivered by the original owner to the successful claimant until authorized by the stewards. Every horse claimed shall race for the account of the original owner, but title to the horse must be transferred to the claimant from the time the horse becomes a starter. The successful claimant shall become the owner of the horse at the time of starting, regardless of whether it is alive or dead, sound or unsound, or injured during the race or after it.
- b. Other jurisdiction rules. The commission will recognize and be governed by the rules of any other jurisdiction regulating title and claiming races when ownership of a horse is transferred or affected by a claiming race conducted in that other jurisdiction.
- c. Determination of sex and age. The claimant is responsible for determining the age and sex of the horse claimed notwithstanding any designation of sex and age appearing in the program or in any publication. In the event of a spayed mare, the (s) for spayed should appear next to the mare's name on the program. If it does not and the claimant finds that the mare is in fact spayed, claimant may then return the mare for full refund of the claiming price.

If the thirty-day period extends into a succeeding meeting, the owner shall obtain a certificate from the stewards of the meeting at which the owner's last horse was claimed to attach to any claim the owner makes at the succeeding meeting.
